2 OB/GYN Physician Opportunities

MARINHEALTH WOMEN'S CARE

MarinHealth offers comprehensive care for all women's healthcare needs, at every stage of life. The collaborative team consists of highly trained and experienced specialists including OB/GYNs, Gynecologists, UCSF Perinatologists and Neonatologists, Pediatricians, Urogynecologists, Gynecologic Oncologists, Certified Nurse Midwives, Certified Nurse Practitioners, and a dedicated team of obstetric and neonatal nurses. MarinHealth is proud to work with some of the Bay Area's most esteemed clinicians who have pioneered treatments and procedures for breast, gynecologic, and urologic cancers.

Through the MarinHealth Ob/Gyn UCSF Outpatient Clinics, dedicated providers care for women from adolescence and beyond, including "well woman" care, pregnancy, perimenopause, menopause, hormone replacement therapy and complex gynecological issues. They offer innovative technology for health screenings, including mammograms and bone density studies through our state-of-the-art breast health center facility.

MarinHealth Medical Center's Family Birth Center's patient-centric philosophy ensures OB patients have a safe, meaningful labor and delivery that meets both their healthcare needs and personal preferences. The maternity care team is the result of a thoughtful collaboration between obstetricians (OB/GYNs), midwives, and other childbirth professionals. In Fall of 2020, maternity services were relocated to the new Oak Pavilion in a beautifully appointed state-of-the-art space that has immediate access to all the monitoring equipment, technology, and specialists needed to keep mother and baby as safe as possible. There is a surgical suite and on-site team available 24/7 in the event a woman needs an emergency cesarean or other emergency OB/GYN-related services. Medically, the Family Birth Center has excellent outcomes. MarinHealth Medical Center has a Level II NICU.

MARINHEALTH MEDICAL NETWORK

MarinHealth Medical Network is a medical foundation in the North Bay serving as a gateway to comprehensive care, including access to a wide range of expert physicians and providers. Their patient-centric philosophy and passion for innovation have attracted a stellar group of over 150 caring providers, who retain a high level of independence and flexibility with regard to their schedules and clinical practice/philosophy. Thanks to a strategic alliance, Medical Network practices are part of UCSF Health.

MARIN COUNTY

Marin County is a highly desirable area in which to live and raise a family and is California living at its finest. Marin County is located across the Golden Gate Bridge north of San Francisco and is bordered on the west by the Pacific Ocean. The area is well known for its natural beauty, excellent schools, and emphasis on healthy lifestyles. Marin County has been named the "Healthiest County in America for Kids" by US News & World Report, and the "Healthiest County in California" by several independent sources.

Temperate weather and proximity to San Francisco, the Pacific Ocean, Napa and Sonoma Wine Country and the Sierra Nevada Mountains are elements that make Marin

County a truly unique California community. The area offers year-round recreational activities, including hiking, biking, boating, camping, and horseback riding. Cultural, educational, sports, fine dining and shopping activities are unlimited and offer something for every member of the family.

2 OB/GYN Physician Opportunities

MARINHEALTH MEDICAL CENTER

MarinHealth Medical Center is a 327-bed independent hospital with deep roots in the community. They have been meeting the healthcare needs of the North Bay in the Greater San Francisco Bay Area since first opening their doors as Marin General Hospital in 1952. The hospital has grown right along with the community. A 116-bed addition was built in 1961. In 1981, Cedar Pavilion was opened. To keep up with the North Bay's burgeoning population and meet California's latest earthquake safety standards, Oak Pavilion, a 260,000-square-foot, state-of-the-art new hospital replacement building, was introduced in Fall 2020.

As the only full-service, acute care hospital in Marin County, MarinHealth Medical Center provides comprehensive care across all major service lines. The Level III trauma center and emergency department receives 70% of the County's ambulance traffic, and provides life-saving care for stroke and heart attack patients. They also offer the only hospital-based labor and delivery unit in Marin County. The community's

patients count on the Medical Center for advanced medical expertise, technology, and sophisticated treatments in an exceptional healing environment. In keeping with their commitment of treating the whole person—body, mind, and spirit—they also offer patients the opportunity to complement their medical treatment with integrative therapies at their Integrative Wellness Center.

As a district hospital owned by Marin Healthcare District, MarinHealth Medical Center answers only to the community they serve. This gives the hospital the flexibility to plan care that truly addresses their community needs. Building on a decades-long relationship, MarinHealth and UCSF Health have formed a strategic alliance that expands access to high-quality clinical care in Marin County and throughout the North Bay.
