MARINHEALTH

MarinHealth is an exceptional healthcare enterprise that encompasses respected North Bay healthcare resources. For years, MarinHealth Medical Center, Marin Healthcare District Health Centers, and MarinHealth Medical Network have worked together to deliver coordinated, patient-centric care to the people of Marin and the Greater North Bay. In 2019, collaboration was strengthened as an integrated, comprehensive healthcare resource under the MarinHealth banner.

MarinHealth is committed to building a diverse workforce and nurturing a culture that is welcoming and inclusive for our physicians, staff, and patients. We know that diversity across all spectrums strengthens our team in our mission to provide integrated and equitable healthcare services, throughout our system of care, to our entire community.

MarinHealth has a strategic alliance with UCSF to provide advanced care in Marin in special programs in the Medical Center. All of the MarinHealth Medical Network Clinics are also part of UCSF Health, extending access to additional expert physicians and providers, advanced treatments and technology, and a common commitment to provide outstanding care for patients—body, mind, and spirit. Together, they constitute an unmatched Healing Place for the community.

MARINHEALTH MEDICAL NETWORK

MarinHealth Medical Network is a medical foundation in the North Bay serving as a gateway to comprehensive care, including access to a wide range of expert physicians and providers. Their patient-centric philosophy and passion for innovation have attracted a stellar group of over 150 caring providers, who retain a high level of independence and flexibility with regard to their schedules and clinical practice/philosophy. Thanks to a strategic alliance, Medical Network practices are part of UCSF Health.

Pediatric After-Hours Urgent Care

MARINHEALTH MEDICAL CENTER

MarinHealth Medical Center, located in Greenbrae, is Marin County's largest provider of acute care services. The Hospital was established in 1952 and is owned and operated by the Marin Healthcare District. MarinHealth is unique in offering the personalized, patient-centered care of a community hospital, combined with services one expects from a tertiary center. The 235-bed facility includes an outstanding comprehensive cancer program, excellent cardiac surgery, da Vinci robotic surgery, neurosurgery, and a Level 3 Trauma Center. Physician and community engagement is a cornerstone of the Hospital. Marin County is an affluent community with high expectations and healthy lifestyles and the Hospital mirrors these values. Since 2010, the Hospital has been recognized for excellence and award-winning care by multiple independent sources. Most notably, MarinHealth Medical Center (formerly Marin General Hospital) received the Healthgrades Distinguished Hospital Award for Clinical Excellence for 2014 and 2015.

Plans for the new hospital include a four-story, 260,000 square-foot hospital replacement building; a five-story, 100,000 square-foot ambulatory services building, and two parking structures. The new facilities, designed by LBL Architects, will be completed in 2020. Every aspect of the hospital will meet or exceed the latest state-mandated standards for earthquake safety. The hospital will continue to operate throughout the construction process.

MARIN COUNTY

Marin County is a highly desirable area in which to live and raise a family and is California living at its finest. Marin County is located across the Golden Gate Bridge north of San Francisco and is bordered on the west by the Pacific Ocean. The area is well known for its natural beauty, excellent schools, and emphasis on healthy lifestyles. Marin County has been named the "Healthiest County in America for Kids" by US News & World Report, and the "Healthiest County in California" by several independent sources.

Temperate weather and proximity to San Francisco, the Pacific Ocean, Napa and Sonoma Wine Country and the Sierra Nevada Mountains are elements that make Marin County a truly unique California community. The area offers year-round recreational activities, including hiking, biking, boating, camping, and horseback riding. Cultural, educational, sports, fine dining and shopping activities are unlimited and offer something for every member of the family.
